Stuart, FL 34996

Dear Jeff,

Tykes and Teens is extremely grateful for your participation in our Art Therapy Exhibit "Through the Eyes of a Child." Your generous donation of space allowed us to share our mission with the community and raise awareness for our programs.

Tykes and Teens provides mental health counseling and substance abuse prevention and treatment services for local children and adolescents regardless of financial status. Last year we served more than 1600 children in our general mental health program, and helped 101 teens become drug and alcohol free in our Adolescent Substance Abuse program. It is only with the support of local businesses like the Stuart Jet Center that we can reach more children in need of our services.

Thank you for your support of Tykes and Teens!

Sincerely,

Lauren Espitia  
Director of Community Relations & Development  
Tykes and Teens

HOBE SOUND  
COMMUNITY CHEST, INC.

A non-profit community organization dedicated to enriching the lives of children and their families through  
Mental health counseling and substance abuse prevention and treatment.
